Introduction of Hong Kong Professionals And Senior Executives Association

Since Hong Kong's reunification to the Mainland in 1997, the city has navigated a series of social and economic challenges. Through government efforts, national support and cross-sector collaboration, Hong Kong has steadily overcome adversity and sustained its development momentum. Beyond contributions from local businesses and communities, seasoned professionals and senior administrators have long underpinned Hong Kong's stability and competitiveness. With this in mind, more than 30 industry professionals and senior executives established the association in September 2006. The group focuses on public policy advocacy, cross-border economic cooperation and professional exchanges between Hong Kong and the Mainland. It supports the governance of the HKSAR government, fosters a stable, harmonious and dynamic local society, and advances Hong Kong's long-term sustainable development.

The Hong Kong Professionals and Senior Executives Association (HKPASEA) has united over 900 members who are dedicated to social affairs. These members are primarily professionals, senior executives, and scholars from various sectors and industries. Among them are one member of the Standing Committee of the National People's Congress (NPC), 32 Hong Kong delegates to the NPC, four members of the Standing Committee of the National Committee of the Chinese People's Political Consultative Conference (CPPCC), two Vice Chairmen of Special Committees of the CPPCC, 29 members of the National Committee of the CPPCC, and 46 members of the Legislative Council (LegCo). The membership also includes 13 District Council members, as well as current or former presidents, chairmen, directors, and members of various professional organizations, associations, and industrial and commercial chambers.

Introduction of The Youth Elite Aspiration Program (YEAP)

To nurture the younger generation, our association has launched the Nurture the Bright Young Elite(卓育菁莪) Mentorship Programme at universities since 2010. Partnering with multiple tertiary institutions, the programme fosters a mentor-mentee partnership where mentors act as both teachers and friends. Through hands-on guidance and experience sharing by our members, students gain insights for personal growth and career development. In 2013, we extended the initiative to secondary schools with the Nurture the Bright Young Elite(卓育菁莪) Secondary School Career Planning Lecture Series, encouraging secondary students to plan ahead and build their capabilities.

Our association has always attached great importance to youth development. In 2019, we rolled out the inaugural "Youth Elite Aspiration Program". It aims to help young people equip themselves through activities, set goals early, expand their social networks and access to resources, pay closer attention to social and global affairs, and develop their leadership, analytical and critical thinking skills. To date, the programme has recruited over 700 participants, with more than 100 of our members serving as group facilitators and industry mentors.

Program Purpose

- To empower young people to equip themselves and prepare for the future
- To encourage young people to care about social and global affairs
- To provide a platform for young people to exercise leadership, analytical and critical thinking skills
- To broaden their social networks and access to resources

參加者

「專資青年追夢計劃」的參加者均為 19 至 30 歲的年輕人，來自不同背景，包括有大專學生及在職人士。從 2019 年首屆至今第七屆，「追夢」計劃共招募超過 700 位參加者，超過 40 位本會會員擔任小組導師。

在活動期間，小組導師以專業知識和經驗，擴闊學員的社交網絡，亦與學員分享可應用於職場的實務技能乃至人生經驗，幫助學員擴闊視野。同時，計劃會邀請歷屆表現優秀的畢業學員加入擔任助理，協助新一屆學員快速適應，分享經驗，薪火相傳。

Participants

The participants of the "Youth Elite Aspiration Program" are young individuals aged 19 to 30 from diverse backgrounds, including tertiary students and working professionals. Since its inception in 2019, the program has successfully run for seven cohorts, recruiting over 700 participants and engaging more than 40 of our Association members as group mentors.

Throughout the program, mentors leverage their professional expertise and experience to help participants expand their social networks. They also share practical workplace skills and valuable life experiences to broaden the youths' horizons. Concurrently, outstanding graduates from previous cohorts are invited to serve as assistants, helping new participants adapt quickly, sharing their insights, and passing the torch of experience to the next generation.

活動內容

「專資青年追夢計劃」於每年的 1 月至 8 月舉行活動，期望透過專題講座及參觀活動等多角度、多元化活動，協助學員由淺入深了解當屆的主題。上屆第七屆計劃以「十年後的我：RCEP 無界線 共贏創盛典」為主題，香港正積極爭取加入《區域全面經濟夥伴關係協定》(RCEP)，以此為契機，讓學員以多角度深入了解香港深化區域經貿合作所帶來的新發展機遇。

計劃以專題講座及參觀活動雙軌並行，邀請適合當屆主題的業界領袖、政府官員等擔任分享嘉賓，包括有上市公司主席、決策局官員、立法會議員等。他們向學員詳細分享最新行業發展或政府政策展望，讓學員對相關主題有更深入的認識。

Programme Activities

The Youth Elite Aspiration Program (YEAP) runs annually from January to August. It aims to help participants gain a progressive, multi-dimensional understanding of each cohort's theme through a rich array of activities, including thematic seminars and field visits. The recently concluded 7th cohort was themed "Me in 10 Years: RCEP Beyond Borders, Join Hands for Prosperity." Taking Hong Kong's active pursuit of accession to the Regional Comprehensive Economic Partnership (RCEP) as a springboard, the program enabled participants to gain deep insights into the new development opportunities arising from Hong Kong's deepening regional economic and trade cooperation.

Operating on a dual-track format of thematic seminars and field visits, the Program invites prominent industry leaders and government officials tailored to the theme to serve as guest speakers. These included chairpersons of listed companies, policy bureau officials, and Legislative Council members. They shared the latest industry trends and policy outlooks in detail, equipping participants with a thorough and well-rounded understanding of the relevant topics.

與此同時，計劃亦期望透過考察交流，讓學員進一步擴展對主題的了解。歷屆計劃曾經到訪過香港科學園、機電工程署總部、外交部駐港特派員公署，「北部都會區」、中山市、東莞市等。地點愈趨多元化，規模逐漸擴大，讓學員放下書本，拓闊眼界。

Regarding the visits, the Programme expects to allow participants to further expand their understanding of the theme through inspections and exchanges. Past programmes have visited the Hong Kong Science Park, the Headquarters of the Electrical and Mechanical Services Department, The Commissioner's Office of China's Foreign Ministry in the Hong Kong S.A.R, the "Northern Metropolis", Zhongshan City, and Dongguan City, etc. The locations have become increasingly diversified and the scale has gradually expanded, allowing participants to put down their books and broaden their horizons.

境外考察交流團

學員在精心安排的專題講座及參觀活動積累知識後，最後會透過以組別形式進行的演示盡展所學。在演示日，評審團會評選出優勝隊伍。從第四屆計劃開始，每屆的優勝隊伍除了豐富獎金之外，更有機會免費參加境外考察交流團。第六屆計劃因應「東盟」主題，境外考察交流團目的地選擇了東盟國家之一印尼，以加深學員對東盟的認識，以及探索香港和印尼在經濟、教育、文化等方面的合作和機遇。剛結束的第七屆計劃則於 8 月初前往了泰國，讓學員實地考察 RCEP 帶給當地的新發展機遇。

Overseas Study and Exchange Tour

After accumulating knowledge through the meticulously arranged thematic seminars and field visits, participants ultimately showcased what they had learned through group presentations. On the presentation day, the panel of judges selected the winning teams. Starting from the 4th cohort, winning teams have received not only rich cash prizes, but also the opportunity to participate in a complimentary overseas study and exchange tour. In the 6th cohort, in line with the "ASEAN" theme, the overseas study tour selected Indonesia—one of the ASEAN member states—as its destination to deepen participants' understanding of ASEAN and explore opportunities for cooperation between Hong Kong and Indonesia across economics, education, and culture. The recently concluded 7th cohort visited Thailand in early August, allowing participants to conduct field studies on the new development opportunities brought to the local region by RCEP.

計劃最後會再安排得獎學員與官員交流會，讓學員匯報及分享所學所得。曾經的交流對象包括有商務及經濟發展局「一帶一路」辦公室何力治專員、香港-東盟協會顧問委員會成員陳智思先生等。

After returning to Hong Kong, the organiser will arrange another exchange meeting between the winning participants and officials, allowing the participants to report and share what they have learned and gained. Past exchange guests have included Mr. Nicholas Ho, the Commissioner for Belt and Road of the Commerce and Economic Development Bureau, and Mr. Bernard Charnwut Chan, a member of the Advisory Committee of the Hong Kong-ASEAN Society, among others.

第七屆「專資青年追夢計劃」

主題：「十年後的我：RCEP 無界線 共贏創盛典」

Me in 10 Years : RCEP Beyond Borders, Join Hands for Prosperity

第七屆計劃於 2026 年 1 月至 8 月進行，共舉辦了 4 次專題講座及 2 次參觀活動，期望透過專題講座及參觀活動等，讓學員深入了解 RCEP 中包括中國等 15 個成員經濟體之間的緊密合作關係，以及準確掌握香港在當中所扮演的角色。啟動禮暨首次專題講座邀得商務及經濟發展局副局長陳百里擔任主禮及分享嘉賓，亦有泰國駐港總領事 Mr. Chaturont Chaikyam、立法會(科技創新界)邱達根議員等重量級嘉賓擔任後續專題講座的分享嘉賓。參觀活動同樣豐富，學員前往了東莞市考察交流，以及拜訪了外交部駐港特派員公署。第七屆計劃的考察交流團目的地是 RCEP 創始成員經濟體之一的泰國，學員藉此全面了解國家和香港與泰國在經濟、教育、文化等方面的交往和合作，並探索港、泰兩地未來的發展機遇。

The 7th cohort was conducted from January to August 2026, organizing a total of 4 thematic seminars and 2 field visits. Through these seminars and visits, the program aimed to enable participants to gain a deep understanding of the close cooperative relationships among the 15 member economies of RCEP, including China, as well as to accurately grasp the role played by Hong Kong therein. The launch ceremony and the first thematic seminar invited Dr. Bernard Chan, Under Secretary for Commerce and Economic Development, to serve as the Principal Guest of Honour and guest speaker. Heavyweight guests, including Mr. Chaturont Chaikyam, Consul-General of Thailand in Hong Kong, and The Hon. Duncan Chiu, Member of the Legislative Council (Technology and Innovation Functional Constituency), were also invited to serve as sharing guests for subsequent thematic seminars. The field visits were equally enriching: participants traveled to Dongguan City for a study and exchange tour, and paid a courtesy call on The Commissioner's Office of China's Foreign Ministry in the Hong Kong S.A.R. The destination of the study and exchange tour for the 7th cohort was Thailand—one of RCEP's founding member economies. Through this tour, participants gained a comprehensive understanding of the exchanges and cooperation among China, Hong Kong, and Thailand across economic, educational, cultural, and other spheres, while exploring future development opportunities between Hong Kong and Thailand.

「亦師亦友」計劃

第七屆「專資青年追夢計劃」繼續設有「亦師亦友」(mentorship)計劃，招募了33位會員擔任行業導師，為行業組別提供行內專業意見，令年輕人能學習更多。

這項師友計劃內容，主要是會員與學員以及助理結成「亦師亦友」的伙伴關係，大會按照年輕人選擇的行業意願，為年輕人及會員的所屬行業配對，之後該行業的會員便成為他們的行業導師。其職責包括不定期透過會面、通話、WhatsApp或電郵與年輕人保持聯絡；分享專業知識及經驗，以及指導年輕人應用於職場的實務技能。

感謝各位會員抽空擔任行業導師，並積極與年輕人見面交流，讓他們的眼界大開。不少行業導師都指自己反而從年輕人身上學習了很多，可謂教學相長。

「亦師亦友」計劃將每年進行招募，而每年的計劃均不設限期，行業導師日後亦可隨時安排與所屬學員及助理進行實體見面或網絡會議，向年輕人分享更多行內知識，拓闊眼界。
